Complaints Policy

1.0 Introduction and Overview

The Scout Association takes complaints very seriously, and hope that everyone who comes into contact with Scouting will have a positive experience. However, it is inevitable that on occasion, concerns may arise that require investigation.

As the majority of Scouting activity takes place locally within the 1st Radyr Scout Group's community, it is expected that most of these concerns will be dealt with quickly and courteously in an informal and collaborative way by the group's leaders. This is our preferred method of dealing with any issues, concerns and complaints.

It is the policy of The Scout Association to have a fair and open process for dealing with concerns and complaints raised by members and non-members that directly affect them or their children in Scouting.

2.0 How do I make a complaint?

2.1 If your complaint is about a matter within 1st Radyr Scour Group, please fill in our [contact form on our website](#) which will be forwarded to our Group Scout Leader, they are ultimately responsible for the Scouting activities within the Scout Group. Following receipt of your complaint, they will make direct contact with you to understand your complaint and will do their best to answer your concerns.

2.1.1 If you feel you do not want to discuss the matter with the Group Scout Leader, then the District Commissioner will be able to assist you. Please contact them at dc@cardiffwestscouts.org.uk.

2.2 We accept complaints about how you have been treated by Scouting or, if you are a parent or carer of a young person, how that young person has been treated by Scouting. We do, however, have a few basic rules for the acceptance of complaints:

2.2.1 Complaints must be raised within three months of you knowing the facts (we do not deal with complaints that are older).

2.2.2 We do not generally investigate anonymous complaints.

2.2.3 We do not accept complaints that are raised on behalf of or regarding other people (except by parents/carers of children in Scouting).

2.2.4 We do not accept complaints that are broadly or substantively the same as a previous complaint.

2.2.5 We do not progress complaints that we believe to be vexatious or malicious.

3.0 Who deals with complaints?

- 3.1 Your complaint will be dealt with by the relevant Section Leader or by someone asked by them to investigate the complaint. If your complaint is about the Section Leader then it will be dealt with by the Group Scout Leader or by someone asked by them to investigate the complaint.
- 3.2 If your complaint is about your Beaver Scout Colony, Cub Scout Pack, Scout Troop or some other aspect of your local Scout Group then it will be dealt with by the Group Scout Leader.
- 3.3 If your complaint is about some other aspect of Scouting in the District then it will be dealt with by the District Commissioner.
- 3.4 In all cases, if you are not sure, then ask the Group Scout Leader or the District Commissioner or contact the Scout Information Centre who will help you to find the right person.

4.0 How will my complaint be dealt with?

- 4.1 Your complaint will be dealt with fairly and objectively. We handle complaints in a positive and proactive manner and aim to resolve any issues as quickly as we can. However, please bear in mind that adults in Scouting are volunteers and therefore it might sometimes take a little longer than you may expect to sort out your complaint.
- 4.2 You will be kept informed of the progress of the complaint with an acknowledgement of a formal complaint. You should receive this within seven days from when the manager receives the complaint. Regular updates will be provided thereafter (typically at least every four weeks).
 - 4.2.1 The investigator may need to speak to you and a number of other people to fully understand your complaint and the circumstances surrounding it.
- 4.3 The manager will make a decision about the complaint and will inform you whether your complaint is upheld or not and the actions that will be taken as a result.

5.0 What if I'm not happy with the outcome of my complaint?

- 5.1 If after receiving a response to your complaint you are concerned that it was not handled appropriately, or still consider that you have not had a satisfactory answer, you may appeal.
- 5.1.1 You must appeal within three months of being given the outcome of your complaint. Your appeal must be formally lodged with the next level of manager in Scouting. If you are not sure who this is, then the manager who dealt with your complaint will provide the details.
- 5.1.2 In your appeal, you must clearly explain the basis on which you are making the appeal and your preferred outcome to resolve the issue.
- 5.2 Your appeal will be investigated by the next senior manager or by someone asked to do this on the next senior manager's behalf.
- 5.2.1 The investigator may need to speak to you and a number of other people to fully understand your appeal and the circumstances surrounding the investigation of your complaint.
- 5.3 The next senior manager will make a decision about the appeal and will inform you whether your appeal is upheld or not and the actions that will be taken as a result.
- 5.4 It is the policy of The Scout Association that the original response to a complaint may be reviewed just once. This means that once you have appealed against the initial consideration or outcome of your original complaint, and a review has been undertaken and a response made to you, the matter will be closed. No further appeal or review will be possible.
